

“We came for the BBQ but stayed for Broadway.”

You may know Owensboro as home to the world-famous International Bar-B-Q Festival and some of the most mouthwatering grillwork in America. But there's more happening in this lively river city than you realize. Before opening in New York, many major theater productions now visit Owensboro's RiverPark Center to test the waters with a great audience. It's a spectacular opportunity to catch what's next on Broadway.

Year-around festivals of food and music plus museums, art galleries, golf, fishing and now...Broadway. Discover today's Owensboro. It's time you caught on.
